

# TACTICAL SHIRTS AND TROUSERS

PSPs Tactical Shirts and Tactical Trousers are some of the toughest and most durable clothing you will ever wear. Made from a stain resistant polyester / cotton blend fabric, these clothes are reinforced at critical wear points, such as the knees and elbows. Dark Navy, Black, Olive Green, Grey and Navy are available in 7.4oz poly/cotton fabric. Tactical Shirts are available in long or short sleeves, and the Tactical Trousers come standard with a drawstring cuff. Specific details may be viewed on the following page.

Our Tactical Clothing can be used in conjunction with PSP Body Armour, and the focus on design and durability demonstrates Pacific Safety Products' commitment to bring everyday heroes home safely™.

Feature	Benefit
Poly/cotton Fabric Blend	Durable and light weight fabric is strong and abrasion resistant
Colour selection	Colour selection intentionally matched to Canadian police force standards
